

Boy Scout Troop 223
Website Permission Form

Dear Parent(s),

The leadership of Troop 223 maintains a website to provide information about troop events and activities. In order to provide a more enjoyable and useful website, we would like to include photographs and names of scouts on the site. Our primary goal is to provide a safe online experience to the members of our troop and the visitors of the website. However, we realize that online privacy is a concern to many people and we do not want to include those who would object to this policy. Therefore, we are asking for permission to add images and names to the website.

----- If you approve of names and images appearing on the website, Please sign below -----

I understand that images of my child and names may be posted on the web site www.troop223.info and grant permission for these to appear.

Child's Name _____

Parent/Guardian Signature _____ Date _____

----- If you DO NOT want names and images to appear on the website, Please sign below -----

I **DO NOT** want images or the name of my child to appear on the website www.troop223.info.

Child's Name _____

Parent/Guardian Signature _____ Date _____

Thank you!

Boy Scout Troop 223
